

# PRINCE EVANS DIVERSITY SURVEY 2019

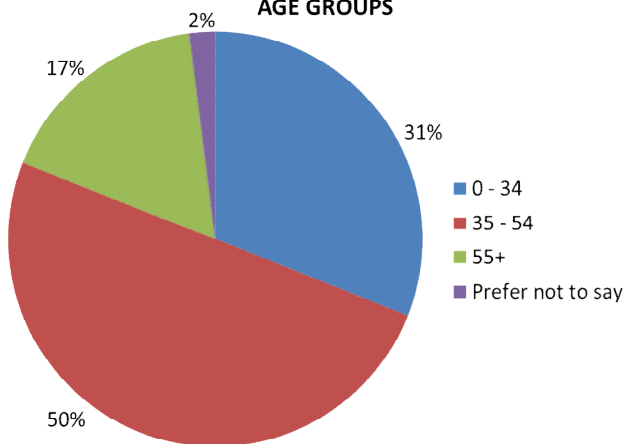

Prince Evans is a modern and inclusive practice. We encourage equality of opportunity and strive to build an inclusive culture that encourages, supports and celebrates the diversity of everyone that works for us and with us. We understand that embracing diversity better equips us to serve our clients and the community around us.

We conduct a diversity survey on a bi-annual basis and below are the results for 2019. We have presented the data in such a way that no individual may be identified.
